

HIGHSCHOOL CHAMPIONSHIPS

How the tides have changed!

Thank you to all the coaches, assistant coaches, officials and volunteers who support water polo in St Louis and the Midwest through the high school season, club teams, ODP and JO's.

Good luck to all the teams in the tournament!

The Diemer Families

Missouri Water Polo, Inc.

BOARD OF DIRECTORS

Charlie Cutelli
Gregg Emde
Chad Fowler
Tom Milford, President
Bill Pohrer, Secretary
Rich Schnoring
Dan Schoenfeldt, Treasurer

Dear Missouri Water Polo Fan,

Welcome to the 2012 championship tournament for the state of Missouri! We hope you enjoy the games during the next week and wish your team the best of luck. Missouri Water Polo, Inc. (MWP) and its sponsors are happy to provide this tournament booklet so you can follow all the teams, know who just scored that goal, and learn a little of the history of water polo in Missouri.

We also wanted to take this opportunity to talk about MWP and the things we are doing to improve the sport of water polo in Missouri. MWP is an organization made up of volunteers who are working to grow the sport of water polo in Missouri. MWP supports high school water polo through administering the district tournament program, the senior all-star game and awards banquet, as well as providing an online source for schedules and statistics. In 2012 and going forward, MWP is dedicated to growing club water polo through funding youth development initiatives, Olympic Development Program scholarships and club water polo assistance programs. MWP is also committed to the recruitment, training and retention of officials, which will ensure a high level of play for all levels of water polo.

Our upcoming events (go to <http://mowaterpolo.com> for more details):

Senior All-Star Game & Skills Competition and Missouri Water Polo Awards Banquet (May 16th at Lindbergh High School)

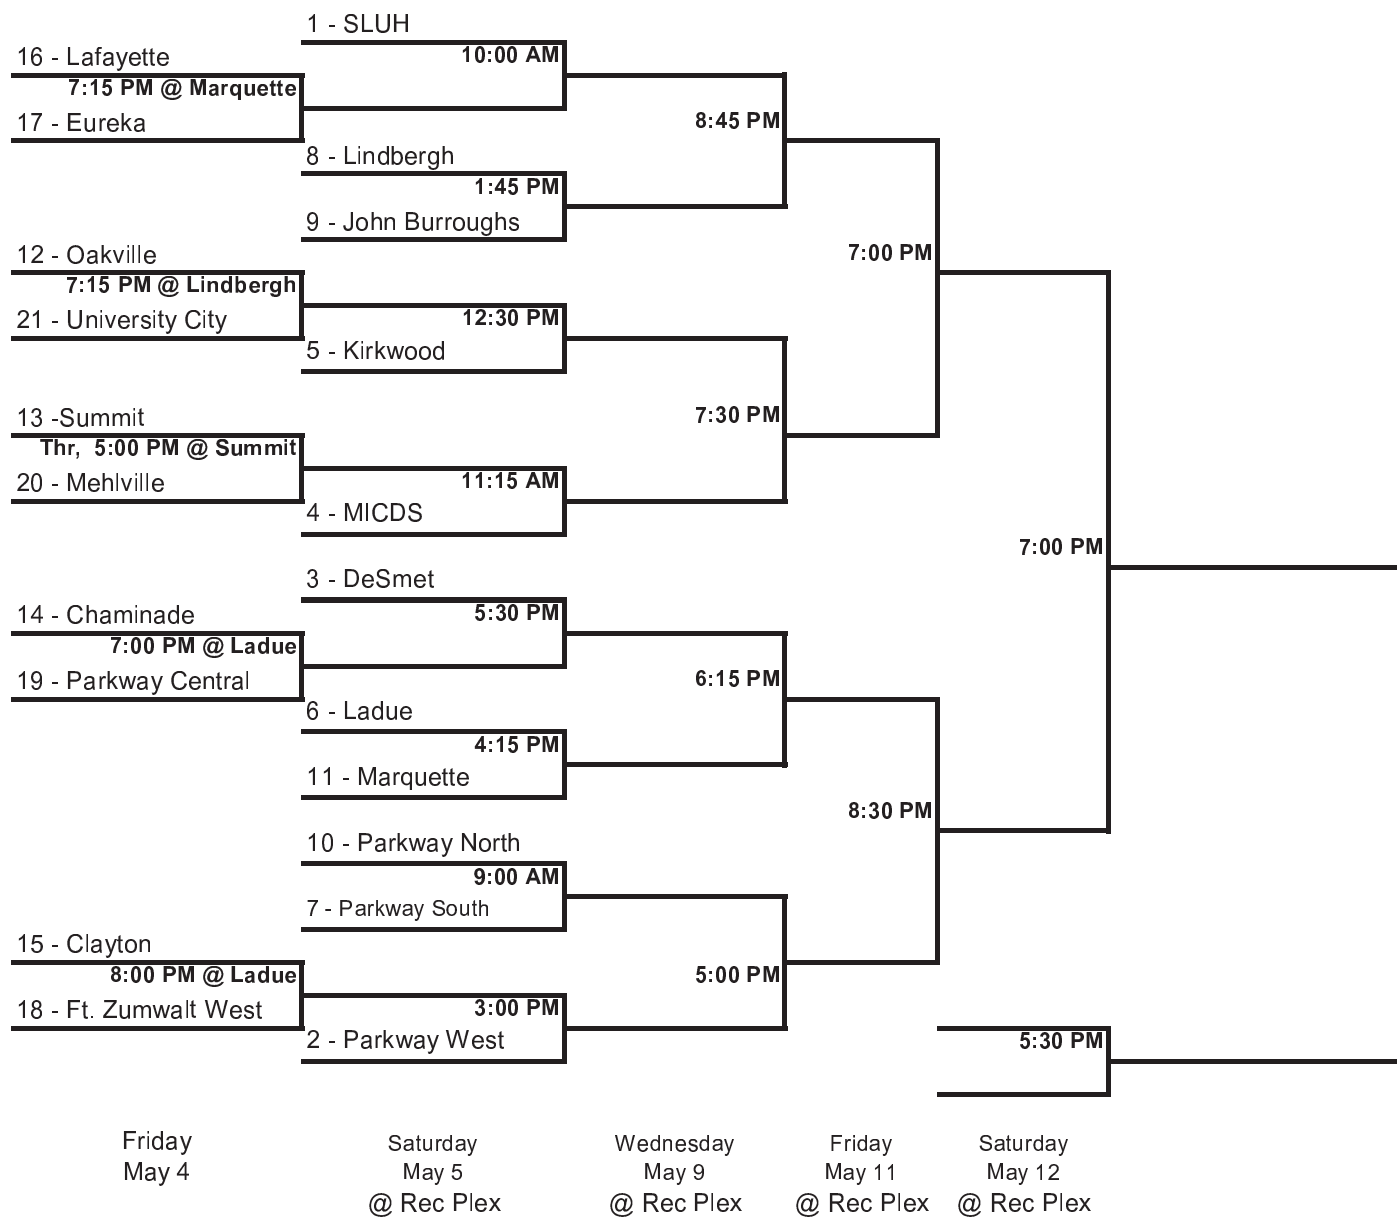

Splashball - a summer water polo program for kids ages 5-9 (schedule TBD)

The Annual Missouri Water Polo Trivia Night (Friday March 1, 2013)

For more information on how to get more involved with MWP or to inquire about scholarship opportunities for ODP or Club Water Polo, contact us at mowp@swbell.net.

Sincerely,
Tom Milford

COMING THIS SUMMER for 5-9 YEAR OLDS!

Splashball™ is designed to introduce the sport of water polo to children 5-9 years old. The intent is to provide basic skills and understanding of the sport in a recreational format. Although water polo is known for its toughness and endurance, Splashball™ harnesses all the fun, dynamic aspects of the game in a safe, easy to learn aquatic experience that will motivate kids to swim and stay fit.

BENEFITS

- Develop water safety skills
- Cultivate health and fitness
- Sample a new sport for which you may have a special talent or passion
- Meet new friends in a safe, fun environment
- Build endurance and muscle tone

WHAT THEY ARE SAYING

We are interested in hearing from you about your experiences as a coach, athlete, or parent of a Splashball program. If you have tips to share or questions that other members might be able to help with, please click [here](#). You must log in as a member to contribute."

"Splashball is making swimming fun for my daughter. She is finally making the connection that the better water polo players are the better swimmers. Having her see the benefits of learning to swim fast, rather than me telling her means everything. She now wants to be a better water polo athlete and better swimmer." ~ Patty, Old Greenwich, CT

"It's a fabulous experience for my boys. They are having so much fun they don't even notice that they are working hard, learning how to swim and developing water polo skills. My 6 year old likes it so much that he writes about his Splashball practices in his journal at school and my 4 year old isn't yet able to figure out which day of the week it is, so just about every day he asks "Is Splashball today?" " ~ Maureen, Rye, NY

Please check mowaterpolo.com for the schedule and how to sign up!

THANK YOU

Thank you to all the officials for their dedication to the St. Louis Water Polo community. It is usually a thankless job so we want to make sure you know how much we appreciate your efforts.

CONGRATS ON ANOTHER GREAT SEASON!

SHORT HISTORY OF WATERPOLO *by Wally Lundt*

The game of Water Polo received world-wide sanction as an Olympic event at the 1904 World's Fair here in St. Louis. This combination of a World's Fair and the Olympics drew athletes from around the world who came to participate in the usual Olympic individual events. Water Polo was the first team sport ever played in the Olympics. It was played in a muddy lagoon in Forest Park with an under-inflated, soft ball which could be submerged by a player and then moved underwater. There were few rules and the game was so rough that all European teams boycotted the event.

European Water Polo was brought to St. Louis by Carl O. Bauer from Germany when he became Athletic Director of the Missouri Athletic Club in the 1920's. In 1927 when the Meramec River Patrol was formed by Carl Bauer and Commodore Flint of the American Red Cross, Water polo was used as a conditioning activity for this organization dedicated to rescuing swimmers who were in trouble on our nearby rivers. Most Missouri Athletic Club players were members of the Meramec River Patrol.

Carl Bauer and the MAC hosted the 1946 Olympic Water Polo Trials in St. Louis at Marquette pool in south St. Louis. The St. Louis team came in second. First place went to the Olympic Club from San Francisco, California.

In 1950 the MAC won the A.A.U. Junior National Water Polo Championship in Detroit, Michigan. Also in 1950 and 1951 the MAC won the Mid-Atlantic Championships in Bermuda. Three St. Louis players received National A.A.U. "All American" honors that year. They were field players Richard Newman and Barry Queensen, and goalie Don Clooney.

Richard Newman was elected in the United States Water Polo Hall of Fame in 1982, and was elected as a member of the Missouri Hall of Fame in 1991.

In the mid-1960's the St. Louis Water Polo Association was founded. A summer league made up of 7 to 9 teams from the Greater St. Louis Area played a weekly schedule of games at Clayton Shaw Park. In 1968 the Clayton Invitational Water Polo Tournament was started. For 32 years this July tournament has attracted teams from around the Midwest, the South, Canada and one summer a junior national team from Holland. It is the longest running, annually held water polo tournament in the country.

In 1968 the St. Louis Water Polo Association hosted the Senior National Indoor Championships at Rang Pool at Lambert Field. There were three St. Louis teams, two California teams, two Chicago teams and the University of Indiana team. The St. Louis Water Polo Club "A" Team, coached by Wally Lundt, finished second. The Downey Club of California was the winner. The St. Louis "A" Team, an all-star team, was made up of Dan and Don Casey, Jim Spiegel, Allen Leet, Alan Stiffelman, Bennett Katz, Steve Rennard, Morton May, Ron Roman, Joe Guigon, and Don Clooney. Other players from St. Louis included Mark Kessler, Steve Stiffelman, Art Kelley, Dick Newman, Chris Mutrux, Bill Patten, Gary Miller, Robert Amelung and Jerry Scherbel.

In 1971 Clayton hosted the A.A.U. Junior Olympics Water Polo Tournament, a nationwide meet for 15 year olds and under. The Clayton Water Polo Club took the gold.

In 1960 Coach Wally Lundt of Clayton High School felt that swimmers needed a Fall team sport as a conditioning activity to precede the winter swimming season. He persuaded two other area swimming coaches, Steve Neilson of Ladue High School and Bill Pohlman of University City High School, to form the first Water Polo High School League in St. Louis. During the 60's, Clayton was the dominant team. They won the District Championship in 1960, '61, '62, '65, '67, '68, '70, '71, and for the last time in 1974. University City took the honors in '63 & '64. St. Louis University High School joined the league in 1961 and captured first place in '66 and '69. In 1962 a freshman - sophomore team schedule was added. During the 60's, the following teams joined the high school league: Cleveland, Lindbergh, Hancock, Mehlville, Webster Groves, Parkway Central and Country Day. In the early '70's, Principia, Affton, Parkway West and Berkeley added teams. By the mid-70's, Parkway North and Oakville swelled the number of teams to fourteen. Teams joining since 1980 were Parkway South, John Burroughs, Eureka, Marquette, Summit, Lafayette, Chaminade, DeSmet and Kirkwood. The 1999 District Championships will feature the play of twenty schools.

SHORT HISTORY OF WATERPOLO *by Wally Lundt*

The game of Water Polo received world-wide sanction as an Olympic event at the 1904 World's Fair here in St. Louis. This combination of a World's Fair and the Olympics drew athletes from around the world who came to participate in the usual Olympic individual events. Water Polo was the first team sport ever played in the Olympics. It was played in a muddy lagoon in Forest Park with an under-inflated, soft ball which could be submerged by a player and then moved underwater. There were few rules and the game was so rough that all European teams boycotted the event.

European Water Polo was brought to St. Louis by Carl O. Bauer from Germany when he became Athletic Director of the Missouri Athletic Club in the 1920's. In 1927 when the Meramec River Patrol was formed by Carl Bauer and Commodore Flint of the American Red Cross, Water polo was used as a conditioning activity for this organization dedicated to rescuing swimmers who were in trouble on our nearby rivers. Most Missouri Athletic Club players were members of the Meramec River Patrol.

Daisy Water Polo Club would like to congratulate the high school players who have made it to the 2012 Missouri State High School Championship Tournament. This tournament represents the best in high school age competition and everyone participating in this tournament should be proud of their accomplishments. Again, good luck to all.

About Daisy Water Polo Club

The Daisy Water Polo Club was formed to encourage boys who want to achieve their maximum individual potential in a team environment. We provide a well-organized club program for players ranging from Elite high school age players, down to beginners with very little skill but lots of determination. Prior water polo experience is not required in order to join the club.

The workouts teach the boys water polo techniques that can be used in age group, high school and college. Players learn basic passing and shooting, as well as different styles of defense and offense. Workouts are structured to progress on a skill path where more complex skills can easily be added to a foundation of knowledge as the boy ages. Registration for our summer programs is now open.

For information you can go to the Missouri Water Polo web site or contact our head coach:
Don Casey email dcasey@micds.org; phone 314-223-0286

LAFAYETTE LANCERS
