

Splashball Q&A

Hosted by Mad Dog Water Polo &

Lancers Water Polo

June 4th – July 30th

Q: What is Splashball???

A: Splash ball is a non-contact, fun, “keep away” like game that teaches and motivates kids ages 5-12 to swim and stay fit while developing water polo fundamentals

Q: What are the benefits of Splashball?

A: Our coaches will help your child:

- Develop Water Safety Skills
- Cultivate health and fitness
- Sample a new sport for which your child may have a special talent or passion
- Meet new friends in a safe, fun environment
- Build endurance and muscle tone

Q: My child is a good swimmer, but might need a life jacket if they are in the water for a long time, can they still play Splashball?

A: Absolutely! In Splashball, athletes can stand on the bottom, use pool noodles, and wear life jackets if they need to!

Q: What does my child need to bring to practice?

A: Swim suit, towel, goggles (optional if they are comfortable with rubbing water away if it gets in their eyes), life jacket (optional if they can swim 8 laps nonstop), a snack, and most importantly: a smile!

Splashball

Hosted by Mad Dog Water Polo &

Lancers Water Polo
