### **Q: What is Splashball?**

A; Splashball is a non-contact, fun, “keep away” like game that teaches and motivates kids ages 5-12 to swim and stay fit while developing water polo fundamentals.

### **Q: What are the benefits of Splashball?**

A: Our coaches will help your child:

- Develop Water Safety Skills
- Cultivate health and fitness
- Sample a new sport for which your child may have a special talent or passion
- Meet new friends in a safe, fun environment
- Build endurance and muscle tone

### **Q: My child is a good swimmer, but might need a life jacket if they are in the water for a long time, can they still play Splashball?**

A: Absolutely! In Splashball, athletes can stand on the bottom, use pool noodles, and wear life jackets if they need to!
